Taş Baskı düz beyaz ya da krem kaput bezi üzerine, ıhlamur ağacından elle oyularak veya kabartma olarak yapılmış bitkisel ve geometrik motif işli değişik boyutlardaki ahşap kalıpların, özel hazırlanmış tek renkli boyaya batırılıp basılması suretiyle meydana getirilmektedir.

Bu özel koleksiyonumuzda el emeğini ve kültürel motifleri bir araya getirerek ezberleri bozduk.

Stone Printing is created by dipping wooden molds of various sizes with floral and geometric motifs, hand-carved or embossed from linden wood, onto a plain white or cream hood cloth, by dipping them into specially prepared monochrome paint and printing them.

In this special collection, we use handcraft and cultural motifs. We broke the routine by bringing them together.
